NOTES:

The "Story of Petroleum" DVD is a 13 minute video provided for the students to view before IPRB arrives. It is available from the IPRB website (www.iprb.org) by clicking on the "Teachers Resource" link to download the video. The download may take several minutes. If you are unable to use the online video, please call IPRB at 618-242-2861 and we will send a copy to you on DVD or VHS tape.

Students will need a pencil only in the exhibit.

An electrical outlet (110 volt) is required for the Traveling Field Trip Exhibit. IPRB will provide extension cords to your outlet.

IPRB will make multiple class presentations at each school. We accommodate all requests on a first come, first scheduled basis. The Traveling Field Trip is typically scheduled months in advance.
